The Community Relations Committee (CRC) welcomes comments from the public specific to items on the agenda. Input from community members is encouraged and the CRC wants residents to be heard, however, the body will not engage in a discussion when receiving public comments. When necessary, City Staff will follow up with community members after the meeting to help direct their concern or issue to the appropriate entity or to connect them with resources. A Speaker Slip should be completed and provided to the Secretary in advance of the agenda item. All speakers will be afforded a three-minute time limit.
