Coffee with Council

Coffee with Council is a new series of events where residents can chat with their elected officials in a casual setting. Each Coffee with Council event will have topics of focus. City Council will be hosting a booth as part of the Upper Arlington Cherry Blossom Festival. We'll focus on upcoming board and commission appointments. Stop by between 5-5:45pm to discover how you can get involved!

If the Cherry Blossom Festival is canceled due to inclement weather, the Coffee with Council event will be moved to the Concourse area of the Municipal Services Center.
